The First Responder Network Authority (FirstNet) established the Public Safety Advisory Committee under the authority of Middle Class Tax Relief and Job Creation Act of 2012 (Tax Relief Act), Pub. L. No. 112-96, 126 Stat. 156, § 6205(a)(1) (47 U.S.C. § 1425(a)(1)), and in accordance with the Unfunded Mandates Reform Act, 2 U.S.C. § 1534(b).

3. Objectives and Scope of Activities

The PSAC provides advice and recommendations to FirstNet. The objective of the PSAC is to assist the FirstNet in carrying out its duties to design, construct, and deploy the nationwide interoperable public safety broadband network (public safety network). The PSAC will assist FirstNet in maintaining the crucial dialogue with state, local, and tribal government and first responder leaders. The PSAC will also enable FirstNet to receive feedback from and exchange ideas with a wide swath of important stakeholders. Thus, the PSAC will support FirstNet in more effectively reaching its goals of building a nationwide public safety network and providing the best possible service to the public safety community. The scope of the PSAC’s activities will be limited to matters involving shared intergovernmental responsibilities or administration.

4. Description of Duties

FirstNet intends to seek the advice of the PSAC on a wide variety of matters involving shared intergovernmental responsibilities or administration, including without limitation advice on aspects of outreach, state consultation and state plans. FirstNet will issue written requests for these and other matters in the order FirstNet deems most helpful in consultation with the PSAC, and the PSAC will provide advice and recommendations to FirstNet in response to such requests. The PSAC may request additional assignments, modification of assignments and seek authorization to advise FirstNet on matters not currently assigned. The PSAC will assist FirstNet by representing the consensus views of the public safety community to FirstNet. It may also provide a forum for public safety stakeholders to present current and emerging issues in public safety network management, policy, reform, and technology.

It is anticipated that the PSAC will meet in person approximately two times a year, as determined by the PSAC Chair and subject to the call of the Designated FirstNet Liaison. FirstNet staff shall take the official minutes of all meetings.

9. Membership and Designation

The PSAC shall be comprised of no more than 45 members who represent state, local, and tribal public safety organizations and shall also include a federal member.

Consistent with 41 C.F.R. §102-3.40(g), the federal member shall be a full-time or permanent part-time officer or employee of FirstNet appointed by the FirstNet Chair. Non-federal members must be elected or designated officials of state, local, or tribal governments serving in their official capacities, which includes the Washington representatives of such organizations. A list of such organizations is set forth at appendix A. Such members shall be recommended by their respective organizations, but must be appointed by the Chairperson of the FirstNet Board. Non-federal members of such organizations will serve for a term of two years, but may be reappointed for additional consecutive terms.
